## PROFILE

Enthusiastic and detail-oriented Front-End Developer with a strong foundation in React, HTML, CSS, and JavaScript. Passionate about building visually appealing, responsive, and user-friendly web applications. Skilled in transforming design concepts into interactive experiences and eager to collaborate with cross-functional teams. Committed to continuous learning and staying updated with the latest web technologies to develop efficient and scalable solutions.

## WORK EXPERIENCE

### Bitchip Digital, Dhaka

2022- PRESENT

Research Associate

- I create various web tools like timers and countdowns using HTML, CSS, and JavaScript to enhance user experience.
- I write various types of content with the help of AI tools, focusing on quality, engagement, and SEO optimization
- I handle guest posting for my company, creating engaging content and building backlinks to enhance brand visibility and authority.

### Cosmo Group Of Companies

2020 - 2021

Graphic Designer

- Designed branding materials (logos, brochures, etc.)
- Collaborated with teams to create marketing assets.
- Delivered high-quality designs under tight deadlines.

### Germany Computer & Limited

2013 - 2016

Sales Executive

- Identified new sales opportunities through market research, cold calls, and networking, driving revenue growth and expanding client base.
- Built and nurtured strong relationships with clients, ensuring customer satisfaction, repeat business, and increased sales conversion rates.
- Delivered persuasive sales presentations, addressing client needs, and negotiated favorable terms to close deals and meet targets.
